

REQUEST FOR PROPOSALS

Union Point Historic Resources Survey

City of Union Point, Georgia

The City of Union Point, Georgia is requesting proposal submissions from consultants to conduct an intensive historic resources survey of approximately 264 parcels (or as many as funds will allow) in the National Register-Listed Union Point Historic District. The project will be financed in part with funds from the National Park Service, through a 2022 Historic Preservation Fund Grant, administered by the Georgia Historic Preservation Division.

The survey project will bring the past-surveyed area up to date with current standards, making sure all resources within the project area will be documented for future consideration in National Register Nominations. The project ensures that all resources that are 40 years or older, regardless of integrity, condition, or location within the historic district have been recorded. The survey will include buildings, structures, sites, and objects located within the Union Point Historic District.

This project has been financed with assistance from the Historic Preservation Fund, administered by the National Park Service, U. S. Department of Interior, through the Historic Preservation Division of the Georgia Department of Community Affairs.
